Comments: _____

It is a requirement that at least one coach and two other parents from each team be receiving our online newsletter. This is where we share all of our info about the event. This goes a long way in getting everyone connected and passing along the info with our PFTC teams. We will contact you after your registration is received to confirm, but you can find the newsletter, Facebook & Twitter links on our website!

Tournament play is from **Friday night through Sunday** with some contests beginning on Friday night. Due to the size of this event and the volume of teams that travel to participate, please expect to play Friday night. Please watch our website & newsletter for details on other activities taking place during the weekend.

USSSA online rosters are required for this tournament.

This registration & team check-in confirms that registered teams release any persons involved with Pitch for the Cure, Springdale Chicks, Northwest Arkansas Fastpitch Softball Association and Komen for the Cure of any liability for any and all incurred injuries or damages, including but not limited to your team coaches, players, parents, paid personnel or volunteers.

Tournament Directors reserve the right to modify tournament or contest formats. For any questions or additional information, please contact:
